**PLUMBING BOARD MEETING MINUTES**

**Date:** August 18, 2011  
**Time:** 4:00 p.m.

**Present:** J. Michael Mondrick, Gary Scharf, Jim Phillips, Mike Holst, Butch Conover & Mark Domenico

**Summary of Discussion**

Mike Mondrick informed the Board that Alphonse LaRosa, formerly of C&S Plumbing has now gone into business for himself at ATL Plumbing & Mechanical LLC. He has changed all of his information with us and given us his new liability and worker's compensation insurance.

**Updating the Plumbing Code**

The discussion continued regarding changing some of the language in the Plumbing Code. Mike spoke with Mark Domenico and he is in agreement with the changes. The Board's next step is to complete the legislation paperwork and submit it to the Common Council for their approval. Mark will see that this is done.

**Water Heaters & Gas Lines**

Discussion also continued in possible requirements of permits or certificates (issued to competent qualified installers) needed to install hot water heaters – along with requiring or not the use of licensed plumbers. Mark Domenico suggested we look at Prometric regarding certificates for installation. Mike agreed and stated we would look into this for the next meeting.

**Next Meeting:** September 15, 2011

Respectfully submitted,

Jean I. Grande  
Secretary
